Thousands of men and women suffer from headaches every day, other thousands have headaches every week or every month and still others have headaches occasionally, but not as regular intervals. The best Doctor is often unable to find the cause of many of these headaches, and it most other cases, knowing the cause, he does not know what will remove it, eo as to give a permanent care. All he can do is to prescribe the usual sain relievers, which give temporary relief, but the headache returns as usual, and treatment is again necessary. If you suffer from headaches, no matter what their nature, sake anti-kaminia tablete and the results will be satisfactory in the highest degree. You can obtain them at all druggists in any quantity, lice worth, 25c worth or more. Ask for A. K. Tablets.

The two detectives concealed themselves when they saw the man working at the lock of the Ackerman house. When he entered they followed. The man jumped from a window and was subdued by the detectives in the yard, after a severe clubbing with the butts of their revolvers.

WASHINGTON, Aug. 1.-Heavy damage by rains to the growing cotton crop between June 25 and July 25 has caused a reduction of 1,350,000 bales in the prospective production. The August cotton report of the Depart-ment of Agriculture, announced today, indicates a production of 12,316,-600, 599 pound bales, compared with 14,265,000 bales forecast from the con-dition of the crop June 25. The Mid-Summer Sale of Furniture (with truth)

that "in the business"-"Mahogany" means covered with a mahogany "Mahogany finish" means painted or stained to

resemble mahogany. "All mahogany" means made entirely of mahogany, but not solid pieces and "Solid mahogany" means constructed entirely of

olid pieces of mahogany, And that the same rule applies to oak, walnut or any

Then, too, after telling you the truth about what you buy, we tell you the truth about the prices you are asked

We do not, for instance, tell you that a dining room suite you can buy for \$200.00 is "worth" \$250.00 and then show you one at \$250.00 that is much better than the \$200.00 suite.

However, in preparing for the sale, we have secured a great quantity of furniture at very special prices—and are offering values that, without any "trade terms" to hide behind, without any "regular prices" or "values" to compare—will be found sufficiently attractive, both as to price and quality to merit your serious consideration.
